“ Our deepest condolences, I just now stumbled upon this obituary and learned that my precious and beloved friend Adela went home with the Lord last year. I've had her on my mind so long. Sadly I don't have FB and therefore am not in touch with anyone! Adela was a wonderful blessing in my life when I first married Raul back in October of 1980. Her and Vivian had Jason at the time. Vivian is who told Raul about an enclosed garage next to their house in Brownsville, Tx during the time he & Raul studied at Magdiel in Matamoros. How I wish to have been able to see her again and converse with her before her departure. They always shared what little they had up to their last meal with us! The Resendez and us (Euresti) had allot of good laughs together and did allot of singing as we played the guitars in my tiny apartment! This news is completely heart breaking and it pains me to know, she was just around the corner from me. (McAllen, Tx)
We will be praying for Vivian and her children as well and grandchildren.
I dedicate this song to the family.
"The Blessing" (by Kodi Carnes & Kari Jobe)

God bless the family.
