“ My condolences to Lynda and Arturo and their families for the loss of your brother, Albert. He was a super nice man who I've actually known since way back in my childhood neighborhood. In later years, he actually helped us out by offering his service with his mower/shredder in clearing the back fields of KOPY/Y-92 Radio when I worked there. I'm so sorry for your loss, but I know that he was welcomed by his family and will rest in Eternal Peace with all of them.
