“ Cando Garza was a good man, not just a friend; When we'd meet at the Whataburger for Nickel Cup coffee, it was any time of the day, not just in the morning, you could expect him to be ready for a social visit; He concerned about people's religion, whether it was true, and about people living their lives in a wrongful manner; This matter included his own family; With all of this, he seemed to know the score, what was right!!! His friend, Aubrey E Bryan, Sr from Annville area of Corpus Christi, TX
