“ Andre and I were best friends growing up. I remember either him over at my house or I'd go to his house during our summers. Playing football in the little field behind his house. Going to the creek to jump our bikes off of ramps to see how far down the creek we'd land or playing bike hockey in the street. Now that your in heaven ask my mom to make you another fresh tortilla with the melted Falfurrias butter. Hope to meet ya later so we can sit and laugh about those years.
