

## Arturo Heritage Longoria Jr.

May 18, 1973 - January 7, 2020

Dateline: Uniontown, Ohio

Arturo Heritage Longoria, Jr., age 46, formerly of Three Rivers, passed away at a hospital in Ohio following an extended illness. He was born to Arturo and Margaret (Heritage) Longoria Sr. on May 18, 1973 in Beeville.

Art was a kind and loving soul to everyone he knew and met. He was always willing to extend a hand to those in need and would give the shirt off his back to anyone that needed his help. He lived his life to the fullest and with no regrets. He loved his family with all his heart. Since moving to Ohio, he made many great friends in the Grove City and Canton area who meant a lot to him. He cherished all the personal and professional friendships he made working as a nurse. Above all, he loved the fact that he was born and raised in Texas and was proud to call himself a Texan. He always talked about returning to his roots to be with his family, relatives and friends who all loved him dearly.

Wednesday January 15, 2020 he will be returning home to Texas, his final resting place, so that his ashes can be spread on the blue bonnets that he truly loved and missed. On behalf of our family we would like to extend our appreciation for all the outpouring of love and support we have received regarding the loss of our son, brother and uncle. He is loved and truly missed.

Survivors include:

“ My son was a beautiful person we appreciate how much he care for the Longoria's and their military history. He loved my family just as well the Heritage's. Art spend alot of time with my parents and learn spanish from them as a child, he always did good in school well manner and had deep repect for elders,he just was a happy person saw so much joy in life,and the good in others, as a child he loved his pets especially dogs and cats. He was was raised to believe in God and the Bible. My son had no children of his own but raised his stepsons and loved as his own, they grew up to be successful in life one is a professional baseball pitcher and the other I believe he is in college,they are from Ohio where Art lived at the time of his death. I never thought I would see this happen to our family,he was 48 years old,I tell myself many mothers out there have lost there child in death why couldn't it happen to me.We just never know from one day to the other,life is so short. We have the hope of seeing him in the resurrection soon when Jesus Christ under Gods Kingdom rules over mankind. Daniel 2:44 john5:29

“ Art was truly my soul mate and the love of my life. He was so loved by my family, our friends and his coworkers. All of our hearts are broken - and especially mine for not being able to be with you all today. We had a happy life full of love, respect and laughter. Love and prayers for healing to us all.

“ Art and I were roommates in San Antonio for a couple of years. We had a lot of good times with good friends. Art was also a groomsman in my wedding some 19 years ago. I treasure the times we got to spend together with friends and family. Art will be truly missed.
