“ Pat and Belinda, I am so sadden to hear about Arturo. Thinking about him I remember him coming to the office at the Funeral Home and what a sweet and obedient little boy he was. Sounds like he grew up to be a fine man, husband and father. He will be greatly missed. May you and your family find comfort in the loving arms of Christ.

“ *My most fond memory of my brother was when we were younger. Mom and Dad had gone to Corpus for the day and left us 3 older kids home alone... Bitzy, my oldest brother had left to get something so hewasnt home. We had a swimming pool set io in the front yard and I really wanted to go swimming (even though mom and dad had said no before they left). But I finally bugged him enough to let me swim. Next thing I know we're jumping off the porch into our pool and laying on the side to make the water flow out, allowing us to slide on our bellies into the grass. I remember it so well because by the time mom and dad got home half the water was missing from the pool so we got into major trouble. It was such a fun day, and it couldn't have gone any better. Rest in peace with the angels Bubba, tell everyone up there I said hi.*
