“ *My sister Barbara Ann Cardenas was a very special person. She was fiercely independent and lived her life on her terms. I really respected her for taking care of her family. She was warm, kind and had a wonderful sense of humor. She loved football, especially the Cowboys! I will really miss her but she will always remain in my heart. What I will remember the most about Barbara, was the compassion and unconditional love she had for her children and grandchildren. May God bless her and keep her.*
