Tribute Wall

“ Today we celebrate the birthday of our beloved Aunt Beatriz, a woman whose warmth, kindness, and spirit continue to live in our hearts. Even though she is no longer with us, the love she shared remains a lasting light in our family.

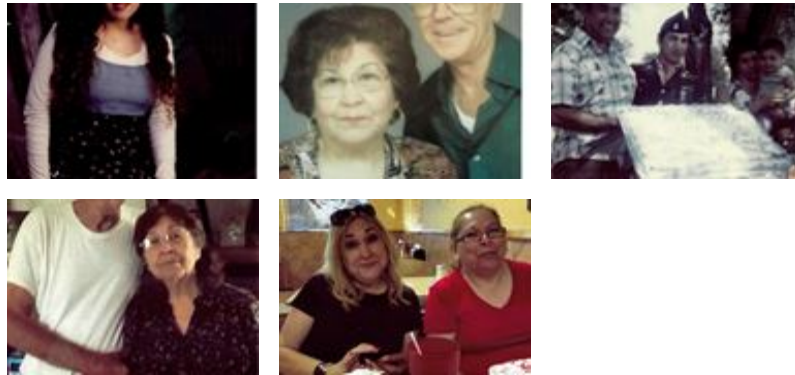

We also remember her alongside her brothers — or my dad David Torres— who has joined her in heaven. Knowing they are together brings comfort, and it reminds us of the deep bond they shared. Their laughter, their stories, and the love they gave so freely continue to shape who we are.

On this day, we honor Aunt Beatriz’s beautiful life and the memories that will never fade. She is forever loved, forever missed, and forever remembered — just like my dad. Their spirits live on in every moment we cherish and in every story we continue to tell.

“  *In Loving Memory of Aunt Beatrice Packard*

Today, we light a candle in memory of Aunt Beatrice Packard (dads sister), whose warmth, wisdom, and grace touched the lives of everyone around her. May this flame be a symbol of the light she brought into the world and the love that continues to burn in the hearts of those who knew her. May you find comfort in the cherished memories you shared and in the love that surrounds you during this time.

Wishing you peace and healing.

With sympathy, Mari Torres & Family.
