*Mr. Benny Clegg if I would have known that Monday was the last time I was going to talk to you I would have told you how grateful my family and I are to have gotten to know you and how great of a man we know you are. I would have said thank you for all the things you taught us about 4H and our lambs. These past years have been fun, full of learning, much laughter and you and I both know that Sierra wouldn't work hard on her lambs if it wasn't for you and Buddy and everything you thought her. And I would have told you how much respect and love Sierra and we have for you. We are going to miss you coming to the house to check on Sierra, making us laugh while watching Sierra work her lambs and just talking to you about everything. My heart hurts knowing that I didn't get to tell you but we know that you are in a better place, and we will continue to pray for you and your family. Once again Thank You Benny for everything, until we meet again. 😭*

“ it’s been a true honor and pleasure to call you a friend. The bond you and Buddy have is special. None like it. We had high hopes going into his Senior year and I’ll promise you friend, I’ll do my darndest to help fulfill his and your dream. I’ve rarely seen a father, who I know was hurting physically from his knees, still put in the time and effort to help his son achieve a goal. Our visits at the pens were funny, jovial and always a good laugh. And I saw the serious competitive side to you as well. People ask me how we teamed up in the lamb barn and I said it’s cause I like his boy so much. Truth be told, I didn’t realize how much I’m gonna miss you as well. A little piece of me missing now. We had some great talks and some good times. Just know this, I think Buddy is the hardest working, nicest kid that I’ve had the pleasure of helping with animals in my 39 years of doing so. I have so much respect for that boy and you and I want you to know that. I’m not a guy who wears his emotions on his sleeve. I’m kind of hard and callous at times, but this one got me. Buddy’s gonna be fine. Too many friends and family care about that boy. I’ll do my part, and hopefully , this show season, you can look down and see him smiling from ear to ear. I’ll do my best. Vaya con dios, mi amigo. Wilson
