

## Brian Keith Young

February 19, 1975 - December 18, 2024

Brian Keith Wymore Young was found deceased at his home in San Antonio, Texas on December 17, 2024. Brian was born in Aransas Pass, Texas on February 19, 1975. Brian was welcomed into a loving home by his Mother Carol Ann Wymore, Sister Lori Wymore Kirkland, and Brother Sean Wymore. Services will be announced at a later date. Brian graduated from Ingleside High School in 1993. In 1999, Brian joined the United States Army. Brian was an Automated Logistical Specialist. Brian served in the Army for 12 years before he was Honorably Discharged for medical reasons due to injuries he sustained while defending our country. Brian served multiple tours of duty in Iraq and Afghanistan. Brian also served in Kuwait and Eastern Europe. Brian received many awards during his service to include 3 Army Accommodation Medals, 3 Army Achievement Medals, 3 Good Conduct Medals, 2 Afghanistan Campaign Medals, Global War on Terror Medal, 4 Overseas Service Ribbons and a NATO Defense Ribbon. Brian loved to collect coins, old paper money, coin banks, pottery and meteorites. Brian was friendly with everyone he met. All of his neighbors were very supportive of Brian, and for that, his family is forever grateful. Special thanks go out to Alma Lira and her family, as well as Tina Villarreal and her family for all they did for Brian. Brian was very close to Aunt Mary Killian, as well as cousins, Meredith Siegel, Lissie Forsythe, and Christina Marshall. They were all very kind in helping Brian as much as they could. Brian experienced terrible things during his childhood that no one should have to ever endure. This, along with the results of the traumatic brain

injuries he sustained in the service led him to self-medicate. We all tried to help him, but the trauma he experienced early in life and in the military was just too much for him to overcome. Brian was preceded in death by his Dad Granville Earl Blair, his Nana, Fannie Blair, and his mother, Carol Blair Wymore. Brian is survived by his sister, Lori Wymore Kirkland, her husband Wayne, and their three sons, Austin, Trevor and Dylan, his brother, Sean Wymore, his wife Roni, and their three daughters Rebecca Wymore Ayala (Mike), Layla Wymore (Shey), and Emma Wymore, and his great niece Mia Rose Ayala. Brian was very loved by his family, his friends and his neighbors. We now know that he is no longer suffering. In lieu of flowers we ask that you make a contribution in his name to The 22 Project at [support22project.org](http://support22project.org), and/or RAINN at [rainn.org](http://rainn.org).
