“ Such a wonderful neighbor,- fishing buddywith Dennis .We shared many, many hours at fish fries and just visiting with Jackson and Clara. They were such good friends and always ready to help when you needed something. The first time I met him, I knocked on his door and ask him to unhook the boat trailer from our pickup so my friend and I could go to town while Dennis and her husband was fishing. Dennis had told me to get Jackson if we needed help while they were fishing that morning.I made a special friend that day! He will be missed by everyone . I am planning to make it to the services if at all possible. We had missed him ever since he had to leave Calliham due to illness.Remember the good and happy times. God Bless You All. “ I have so many memory's of Cargile. But one of my favorites is when Clara and Cargile came to Minnesota for a visit. He wanted to keep my daughter Ashley home from daycare, I told him he could keep her for a couple days a week but other than that she need to go to day care. Well lets just say that did not happen. they first day he took her to Walmart and bought her a fishing pole, tackle box and everything she would need to go fishing ad that is what they did for the whole 2 weeks they were here. Cargile always loved to fish and he taught my daughter what it was all about.
As Cargile always called us his Minnesota family
RIP Cargile you will be missed by many but thanks for the memory's
Love you
Your Minnesota Family.
