CARLOS S CASAS

Carlos Segura Casas went to be with our Lord on February 1, 2021 at the age of 66.

He is survived by his wife Veronica (Vicky) Domingo Casas, sons Jimm Aaron Casas and Marc Allen Casas. Brother, Abel (Mary) Casas, Sisters, Linda Casas, Sally Casas and Ofelia (Karl) Thompson. He will be missed by his nephew and nieces A.J. (Sarah) Casas, C.K. Casas, Melissa (Eric) Carver, Jonathan Casas, and Alex Casas-Thompson: great nephew and nieces, Kaylee, Cash, Cade Casas, Aubrianna Betalia and Isabella Gray Carver. He is also survived by his aunts, Anita Esquivel, Theresa Vinton, Juanita Guerra and Josephine Segura. Along with several numerous cousins.

Carlos Segura Casas was born April 25, 1954 to Manuel and Betalia (Segura) Casas in Jourdanton. He was preceded in death by loving parents and grandparents, Betalia (Segura) & Manuel Casas; Procopio and Trinidad (Robles) Casas; Baltazar & Victoria (Moya) Segura. He was also preceded in death by his in-laws Maria J. Domingo & Hiram J. Domingo.

Carlos, as a child worked in the family business of construction and the ranch. What children these days consider work / chores for allowance Carlos only knew as work to learn the trade for the future. He did have time for the things

he loved to do. From baseball where he was a hind catcher, to tearing down the engine in his Cutlass Supreme and rebuilding it. In his free time, he would help his dad with the construction company. Carlos was unlimited on work he would do; driveways, sewer lines, septic tanks, build stock tanks, back-hole, maintainer, front loader operator, sand blaster/primer/painter. He also operated heavy equipment and was a heavy equipment mechanic. He was an FFA officer for 4 years and showed hogs. He impressed others with the fact that he trained his hogs to walk all the way from the hog pens - the current elementary building to Schorsch's dairy by themselves and back. He graduated from Jourdanton High School in 1972, and then went off to college in Uvalde, Texas and majored in Animal Science receiving an Associate's Degree of Science.

In 1974 Carlos went to work with the City of Poteet as their Water and Wastewater Manager. He was employed by the City and then moved to Jourdanton to be the Water and Wastewater Manager for a total of 25 Years. He loved working for the Cities Municipalities and did many budget grants. Carlos took a leave of absence to go work abroad on a government project for the Suez Canal in Egypt for about 9 years. There he worked for the Department of Defense training Egyptians and Palestinians to operate water and wastewater facilities for military bases throughout North Africa. Carlos & Veronica Domingo married in Cairo, Egypt on August 29, 1999 and later returned to the states. Upon his return Carlos, Vicky and the boys took time to acclimate to the United States, eventually going to work for Charles Lyons on the Ranch now known as FCK Ranch. He lived out his life at the ranch working closely with Fred, Charles and Kevin. Here he cultivated many close relationships with all the hunters that would pass through. Most of which he considered family and loved them like such. It was a labor-intensive environment at times and at other times it was a relaxation.

He was a kind, happy, and gentle man with a big heart to help others. He was volunteer for the San Antonio Junior Livestock Auction for more than 25 years. Carlos was a member of the St. Matthew's Catholic Church in Jourdanton and

the St. Joseph's Catholic Church in Tilden, Texas. He was a member of the Rotary Club and Hot Wells for many years. He loved his family, community and church. He was a member of St. Joseph's Catholic Church. He was also a member of the Tilden Livestock Show Association for 6 years, working hard to make a positive impact for the youths in his community, even after he left the association. In some cases, providing animals to show for those who could not afford it. Carlos and Vicky instilled the need to put God first and stay true to their religion, have a great work ethic, morals, self-respect, common sense, and to respect others to pass on in their children. We love and will miss you. The family is forever grateful to Charles and Adrian Lyons and their families for all you do.

“ *Carlos was a good friend of mine and he will be missed by everyone who ever had the chance to meet him. There are just too many stories to tell here, but suffice to say Carlon made an impact on everyone he met. Never without a smile and a laugh, he had a quiet sense of humor, the kind he'd project when we were in Spanish class together. Tu dele! Was he battlecry that got us all in trouble. God bless Carlos Casas and his family. TU DELE, AMIGO!!!*

“ Carlos was a Jourdanton ISD classmate. We played Little League together. We were in FFA. Carlos was always kind and smiling.

My fondest memory of Carlos was during the last month of our senior year, during this time we had started calling him “il Duce”, an Italian word meaning “the leader”. Wherever the fun was, “Duce”was in it. Carlos and Joey Piatek and I went the Dripping Springs Reunion. It was the first country music festival, two years later it became the “Willie Nelson Fourth of July Picnic”. We saw Bill Monroe, Willie and Waylon and Loretta Lynn to name a few. Carlos bought Swisher Sweets for all of us, we bought drinks and sandwiches to be able to stay all day. I remember Carlos running up and down the hill making deals to swap “drinks”, buying suntan lotion (too late), buying tamales off a guy and watching the hippies pass weed. By the time we left, Carlos had made lots of friends and lots of people knew him.

Last time I was with Carlos, my two sons were with me in Tilden. We were getting breakfast tacos at Wheelers. He had a son with him. He followed us out to where we hunted and we told stories. He asked to meet for lunch at Max’s Cafe. We did and had a two hour lunch. Still the same guy. Laughing, catching me up on his family, talking about old classmates we had seen.

I remember his laugh, his broad smile, his ability to converse with anyone. I am so sorry for your loss. But the memories and stories from his classmates should keep the memory of him alive for years to come.

“ We are so sorry for the loss of Carlos. I can't think of a single event in Tilden that Carlos and Vicky didn't help with, especially if it involved helping the church or youth. He always had a smile on his face. He will be so greatly missed, both for his community involvement, but mostly as a friend.

“ Carlos was one of the first folks I met when I started volunteering with the San Antonio Auction Committee in 1994. We became good friends and always had great conversations. Carlos was always proud of his family and their accomplishments. I will miss those conversations. May Carlos have a good journey to Heaven. Prayers for Carlos, Vicky and family.
