“ I grew up with Ted. He was my friend. I'll keep his family in my prayers, and I'm comforted by knowing that he is the presence of Jesus Christ. Ted was a great childhood friend of mine. Although we lost touch as our lives developed, I have fond memories of my friend. I'll see you again someday buddy.

We grew up on Jansen together in the 60's. I was at 4405 ,Lost touch when we moved to Houston, but he and his family will always be a good memory to us, my dad and his dad did a little fishing together as well!

Condolences from my family.
