“ Charlie and Nancy sure took care of us Canada boys when we drove down to hunt the Harris Ranch. We were the first Canadians on the ranch and wow did we have fun day and night (hey Charlie me and the rattle snake !!) Charlie and Nancy shared so many stories with us and the jokes kept coming along with the friendship and wonderful cooking !! Being tall at 6'5" Charlie called me HIGHTOWER and would yell out Nancy Hightower needs more to eat !! ha ha ha what a guy. Me and my friends miss Charlie and Nancy so much and we remember and speak of Charlie almost daily. Rest in Peace Charlie we will meet again one day to talk hunting and our hunt !! Take care Nancy hope you are well - Brian, Duane and myself think of you all the time !! Sorry for the delay of this note I just located this site to share my thoughts. Take care God Bless. “ Nancy you are in our thoughts and prayers, so sorry for your loss. Charlie was a super guy, good friend and great musician. Charlie was very special to the Berry family, and my dad Cecil Berry thought the world of him. We so appreciated Charlie being there for us 9 years ago and serving as a pall bearer when we lost our dad Cecil. We all danced to many a songs he sang in years past, and now he is singing in Heaven and Cecil once again gets to hug his neck and dance around as Charlie sings a song. God Bless you and your family. “ Nancy....In the short few years that we have known you guys.....we have come to love you both dearly.....Charlie was certainly a great guy and will be dreadfully missed by all. He put everything that he had into making sure that each individual hunter felt like his ONLY hunter.....and special in every way.....assuring that each got the "BEST BUCK for thier buck\$".....!!!!!! It soon became that WE were coming mainly for the fellowship with the 2 of you....more than the hunt itself.....Always a pleasure and he was so full of humor! I have watched his video....IN SEARCH OF THE ILLUSIVE WHITETAIL over and over again....and each time....he makes us smile.....We love you both dearly and want to keep in constant touch with YOU...for the rest of our lives.....We love you Nancy!

“ Thank you Charlie. I ask you if you would carry a request to GOD for me when you got to heaven. I knew that even though you were in pain that you would not forget because you knew how important it was to me. It's something we all want , to be forgiven of our sins. I can hear you singing with that beautiful voice , that GOD given voice, singing and praising OUR FATHER GOD. You will be so missed by all who knew and loved you.

“What a loss. Anyone who knew Charlie, knew he was "one of a kind" without any doubt. He was tough, talented, honest, hard working and a pleasure to be around. I consider myself extremely fortunate to have had the opportunity to know, hunt and share my life with him over the past several years.

I will forever cherish the hours we spent together riding around on his ranch, as well as other ranches, talking, hunting or just feeding deer. I loved our time together giggling and snickering in the truck and deer blinds like we were teen age boys. He would always get me laughing then get on to me for making too much noise. Ha! But the best moments were always in the evening. We would sit around a fire and listen to Charlie spin tale after tale of the places he had been and things he had done (most of which he made me swear to secrecy) while having a drink (or two). He always had jokes or stories that kept us laughing and after each one he would duck his head and grin. After a while Nancy would tell us it was time to eat - and eat we did. Nancy is a fantastic cook not to mention an extraordinary lady. After our bellies were full and sore from laughter we would retire to bed still giggling and looking forward to the next day.

Charlie was a great friend, husband, dad, uncle, etc. that we lost far too early in his life. My thoughts and prayers are with Nancy and the family. I'm so sorry for your loss and only time will ease the pain. Keep in mind, we all know how Charlie is so just think of the joy and laughter he's bringing to heaven.

God Bless You.

“ Nancy May God bless you during this time. Charlie was a special friend. I will miss him. We had some great times and great conversation in South Texas with him. I will miss the phone calls. Thanks to you and Becky for all the memories. I will be praying for you. And I am confident we will see him when we all get to heaven.
