“ *It is an honor to have been able to call Mr. McCallum my friend. I was able to meet him by his son Tim with whom I met while working together in the oil industry. I was always amazed by his work ethic even in his elder years. Always tinkering and fixing things. He would call and ask questions about something he was trying to do. He was a man of faith , trying to get people To attend church gatherings. He never gave up. He will be missed. Our thoughts and prayers are with his family. Adolfo and Bea Moreno*
