“ Oh so many memories... She always called me little one. Lol. The Lee Family spent much time with her, Mr Jimmy and mother Lowe.

“ I met Miss Lowe, at the Recyclery, she was having a hard time recycling her teacher notes, which began a conversation about education. I then saw her again at HEB, where we had a nice chat....the last time I saw her was downtown Alice. She spoke of wanting Alice to have cafeteria style food for delivery, not only fast food. I'm sorry for the loss of Miss Lowe. I pray she wasn't alone. I am happy I met her.
