“ *Rest in peace. He signed my birth certificate, but I never knew of him. I wish I did just like every kid wishes to know their dad. When I first heard about him it was due to his sudden death. God bless your soul. (Do not delete my comment like yall did my first comment. Highly disrespectful especially when he is my biological dad. I will contact my attorney if this comment is deleted.) This is the only spot I'm able to speak my peace because his family hides his two oldest daughters he was never there for, but I forgive him. I pray he is in a better place. God bless you all*

Dad continue to watch over your family and my class ring is being dedicated to you, it has "In memory of" on one side and your football number on the inside, just for you. I love you dad! R.I.P
