“ Went to VGA with Dallas, A very kind lady with the ability to bring laughter and joy to all who were blessed to know her. We'll see her again where sickness and death will be no more. I'll look her up first thing!!

“ So sad to learn today of the recent passing of Dallas (Johnson) Harris, my best friend growing up in Alice, Texas. I just learned of this today, having yesterday reposted a photo of our little school in Alice with my note about Dallas in particular. I think I had a premonition...

*Dallas and I started off as tomboys, playing sandlot baseball with my brothers for hours and recreating scenes from our favorite westerns. We both fell in love with Johnny Crawford from Rifleman and that was a bit tense for a couple of minutes. She was much stronger than skinny me and could toss me like a rag doll into their shrubs if she took a mind to.*

*Her mom, Edith, was one of the kindest people on earth and she helped us super clean doctors' offices every Sunday... accepting only a handful of double bubble gum for her labors.*

*That's two close childhood friends now, with Susan Reson Griffin also having passed way too soon.*

*The Reson, Johnson and Ward families were very close. Our Ward family in particular had many difficult challenges but our mom, Ellen, and the wonderful Johnson and Reson families were among the Alice friends that made such positive differences in our lives. I thank the Lord for Dallas and all of them.*

*Pam (nee Ward) Smith*
