“ To my brother Daniel I love you so much and I'm going to miss you so much. You've always put a smile to my face made me laugh every time I talked to you you've always said the silliest things, and the words that came out off your mouth, that's what made you special. There's a song that reminded me of you back in the 70's Oh Daniel we lived in Heritage Place when I first heard that song. Missing you and Juan Ismael and Eligio this year has been very heart broken. Until one day we meet you will always be in my heart. Love Maria Ana Hearn/ Mary as you always call me.
