*I had the privilege of hiring David at K3BMI
He simply walked in and said I don't want to be a manager anymore, I
just want to drive a truck. And drive he did, and was the most
respectful, dependable, and honest person that I may have ever
worked with. I can still see him in those overalls walking into the office
and every where else I saw him
He was a good man
One of the people you meet in life that you don't forget
Still Dont understand why he poured his beer on Ice, but I'm not
judging
I'm honored to have known him*
