“ To the Blair family I'm so sorry to hear the news of Donny' s
passing.

My favorite memory of Donny is when we lived in Alice we lived on 8th street. I'm sitting in the kitchen waiting on him to get home from work. He came in and asked me what's wrong. I told him you know the rattle snake case you made and have hanging in the living room. He said yes what about it, I told him there is a big nasty bug in there on it. You have to kill it before I go back in there. He laughed and said ok. I told him its one of those big roaches, they fly. He started laughing at me and said no they don't. I said yes they do. Donny took his shirt off and said get me the broom. I did, then I went out the back door and ran around to the front porch and watch thru the screen door. Donny took a swat a it and it FLEW down and landed on his chest and ran around him twice. Donny was so busy screaming and doing a dance that I have never seen. I couldn't help him I was laughing to hard. Afterwards I said so...they FLY right. We laughed so hard.

I met Donny and we became friends, we dated, we married, we divorce, we remained friends I'm grateful he was in my life. Rest in Loving Peace my FRIEND.

I miss you Donny. I just want you to be happy and have peace. I wished we had spoke to each other before you left and maybe you would still be here. I know it was tough for you these passed few years. I just wished I had help you more. I will miss you forever and will love you forever . I will see you again someday. Your little sister.
