“ *Mrs. Barbara, Pam, and Jill, I was so heartbroken to hear this news. My Daddy loved him and so enjoyed their days together at Valero but most importantly their friendship. My heart goes out to you all along with many prayers for your comfort and healing.*

Pam, I know how much your Daddy means to you. It was because of our Dads you and I became friends and now we share this same loss...gone way too soon. I'm so sorry you are going through this heartbreak and especially that EJ will miss out on so many more memories with him. Heaven gained another beautiful soul and through your tears just remember they are up there reminiscing and watching over us and our boys, beaming with pride in the gentlemen we're raising. Hugs and lots of love.
