“ Elenora was always very nice to me as I have known her for the last 25-30 years and have worked for her the last 6 yes. She loved her dogs and she loved being outdoors on the ranch this is where she seemed the happiest checking on the chickens and helping us decide which calves of hers and sometimes which calves of my dads (who has worked for her for about 26 or 27 years) to sell at the auction she lived for those things for sure. She will be missed dearly. She was asked a week or so before she passed if she had accepted the Lord Jesus in her heart and she answered yes! This gives me hope that me as a believer in Christ Jesus will see her again when I make this journey to be with Christ as well.
