Our precious little angel, Elias Jose Rodriguez, presence brought so much comfort, joy and happiness and a great amount of love to everyone with his cute big smile. Elias loved to be held and loved the warmth of his mother and his family. He loved the attention from everyone. Music and the voices of his siblings and family soothed him. He was loved by so many. No words can describe how much he meant to each and every one of us in the short amount of time he had here, it felt like we've known him for much longer. Sadly our beloved child was gone so soon. Our little love will always be remembered and will always be in our hearts forever.

In loving memory of our angel Elias Jose
