"My Memory may fade, My walk may slow, I am me inside, Don't let me go"

When tomorrow starts without me!

When tomorrow start's without me and I'm not here to see. If the sun should rise and find your eyes are filled with tears for me. The way you did today while thinking of many things we didn't get to say, I know how much you loved

me as I loved you. And each time you think of me I know you'll miss me too. But know tomorrow start's without me. Please try to understand. That an angel came and called my name and took my by the hand and said my place was ready In heaven, far above and that I'd have to leave behind all those I dearly love. But when I walked though Heaven's gate I felt so much at home! When God looked down and smiled at me from His golden throne, He said this is eternity and all I promised you. Today your life start's anew I promise no tomorrow for today will always last and since each day's the same way There's no longing for the past So when tomorrow start's without me, don't think we're far apart. For every time you think of me I'm right here in your heart! Love you always Frances
