“ *On behalf of my sisters, our Aunt Jo (Smitty's sister), my husband,
our son, and myself, I want to say how much we loved Aunt Dot --
she was one of the most loving, caring people we have ever known
-- she was a gift to anyone who met her, and she will truly be

*On behalf of Dottie's family we loved her. She came from a large family
who was seperated when her Mother died when she was very young.
My husband was her older brother and we came from Mont. twice to
see her. We will miss her very much.
