“ We adopted Junior part time into our family maybe 5 or 6 years ago. He reminded me of my brother and similar tribulations that we had an instant connection. He hollered at me while crossing Hwy 44 by Macareno Signs that if I ever needed a truck detail he could help me out. Instead of a detail I took him to lunch. A year or so later I met him and his mom for lunch one day while Junior was working with me. He often came with me for landscape day labor. We had so many fun conversations and he often told me the same stories over and over. I would pick him up on our way into Alice often so he got to know my boys well too. He was always sweet to his little buddies. I drove him to Laredo when he had his pardon from parole. I know that was a very big day for him and a huge relief. Junior had a beautiful soul. He loved his mom so very much and loved to go play bingo with her and make tamales. Junior would cover some south Texas ground mostly by walking but sometime by bike. Anytime I saw him walking I would pull over to give him a ride. Next he could be found belting it out along Highway 44 in Alice. He was so proud and good at the grito yell! And he did in fact detail my muddy car so so so many times. That was a real gift of Juniors. He was obsessed with detailing. Junior also had a gift of losing his phone. But it didn't matter he had my phone number memorized and would call me from every new phone. And lastly, he loved God with all of his heart. We had so many conversations about God and the Bible. He could recite so many verses to me and was always reminding our family of the goodness of God. Rest in Peace my dear friend Junior. You will be dearly missed by The Hoffman Family. I am planting a tree in your loving memory.
