“ Jake started walking at 9 months and as soon as his feet hit the floor he was off to explore this crazy world. I knew him best as a young man with a wild imagination. He was always ready to hear or tell a good story or read a book or two. He loved to go hog hunting and fishing with his family and friends. I wish his short life could have gone better for him but I know he lived his life like there was no tomorrow. Rest in peace Jake and know that we will always remember you in our heart. It is not goodbye but until we meet again. Love ya' cuz --- Kimbie

“ When we were kids we took a family trip to San Antonio. When he walked out of the hotel room one morning, wearing a short little shimmy shirt, he tried to stretch it over his little belly and said, "Cissy needs to get me a gooder shirt".
