“ I’m in shock finding out about Jeremy’s passing. We met at 17 and he became my best friend. He stood in my wedding, and we learned how to be dads together. Some of my favorite memories in life include him.

I hate that we lost touch. In 2019 I told him, “Call me bro... here’s my number.” He said he would after work. I never got that call, and that will always stay with me.

I’m heartbroken for his family. I remember when Shay was born like it was yesterday. You were loved, brother. I’ll miss you.

Rest easy, Jeremy.
