“ I just learned of Jerry's passing today! I am beyond sad but at the same time, I know he and his precious bride are smiling down on all of us and both are doing good.

I met Jerry and Joyce years ago as they were patients of mine at the Carrell Clinic with Dr. John Baker. I have been his PA his whole practice and each of us would love it when they came in. The smiles and hugs I got will be remembered forever! The giant spirit Jerry had and the compassion for others was something anyone who knew him appreciated and loved. I will always remember when they would bring their precious granddaughter with them to the appointment and I would make her my famous "chicken-balloon" to play with.

God knew Joyce needed him more than we. All I can say is, I AM SO BLESSED TO HAVE KNOWN BOTH OF THEM AND I CAN CALL THEM TRUE FRIENDS. Love to all the family, Karen Payette cell# 469-999-7772
