“ *Tommy, Susan, Sarah and Melanie,*

I loved Jane dearly, and have only the fondest memories of her. She was like a second grandmother to me, and all of you were my extended family. I know that she and my grandmother Ann are sitting in heaven right now, laughing over their MANY fun, shared experiences. They are most likely drinking coffee which was something they both loved to do. Picturing that makes me smile.

Unfortunately I am unable to make the service tomorrow but please know that my thoughts and prayers are with you all.

Love and Most Sincere Regards,

Brenna Beasley

“ *I never knew your name was Jewel, but now I know why. You knew me and my family like forever. You always had a smile and kiss for me and would tell me how blessed Mom was with me. I would say I was the blessed one. You were a Jewel indeed. I will miss seeing you and playing bingo. May you R.I.P. in heaven where no pain felt. Always in our hearts.
