“ *In loving memory of my best friend, Joel Patrick Jaime, who was always by my side through thick and thin. We shared countless adventures, from driving through floods to getting lost in the Bahamas, but it was his unwavering humor and boundless care that truly defined him. He touched the lives of everyone he met, leaving a lasting impression of kindness and joy. You'll be deeply missed, Patrick, but your spirit will live on in our memories forever. Love you always*
