“ Johnny, a uncle that would do anything for you. He helped with our house , built a barbecue that we still use and Davids had since his early 20’s and made me a beautiful ladies wallet with my initials on it, perfect and will last forever and serval braided leather key chains. I loved him so much. I loved to run into him at the stores and talk, during the whole time we were talking he would be saying hi to all the people he knew. He was loved by everybody. Going to miss him dearly. It’s very hard to loose your Daddy and Mom. I miss them everyday. He will watch over you, and you’ll feel him around you, I know I feel my Mom and Dad al the time. We love uncle Johnny and that smile he has will always be in our mind . David and Joann adams

“ *My Daddy. Johnny Jackson.  
Ten Foot Tall and Bullet Proof.  
At almost 90, He had so many chapters of his  
life. He grew up on the farm in Central Texas.  
Worked the farm and picked cotton.  
Music was a family passion. He came to South Texas as a kid.  
Worked in a upholstery shop. Started working in the oilfield. He was  
a Driller and Toolpusher and probably would have been a company  
man but didn't agree with some a\*\*\*\*\*s... He Raced cars. He was  
in a Band, played the bass guitar. Met Mama and had a family.  
Worked so hard to support us, traveling all over South and Central  
Texas. He was a Mason. He Owned and operated his own  
Barbecue Food truck. Raised AKC. Basset Hounds, Cocker  
Spaniels, and Dachshund puppies at different times.  
He was a fine welder and built many many  
bar b que pits and sold them. Handmade and sold Leather knife  
sheaths, cell phone cases, gun holsters and key chains.  
He was such a good cook. He was so wise, and so talented at  
everything he did. He loved all his family with his whole heart.  
One of our friends told me, he was one of the good ones. I so  
agree.  
❤️ I'm sure I missed a lot things... But I do know he was a sweet  
husband, good friend, great Daddy and an Amazing Pawpaw. ❤️*
