“ Johnny was a Great man of God, he had a heart of gold. Any time he walked in the room it lit up from his smile. I cannot think of a time that I was in his presence that I didn't feel better after seeing him. I grew up as a preachers daughter and spent many singings, camp meetings etc with Joyce and Johnny and the family. I love them beyond words and am so grateful the Lord allowed me to be a part of their family. I know Heaven has gained a great man and we will be saddened by his absence here on earth. There is no doubt he's shouting in glory already with my grandma and grandpa riley planning the biggest home coming singing for when all the family gets home. One by one we should be ready to go as he was to meet our Savior the one who died so we could be free. Joyce my prayers and condolences for you and the kids. I love you and am thinking and praying for you always.
