“ I Richard Muniz am writing this remembrance of my uncle Jose Jesus Muniz lovingly known a “Chuy” as dictated from my father, Chuy’s brother, Jose Guerrero Muniz (Joe). Chuy passed away on August 22, 2204.

I am 5 years older than my brother Chuy and currently 92-years-old. My little brother always had a dry sense of humor. He would turn a serious question asked of him by making an outrageous or exaggerated response. His response was so deadpan and straight faced it took a while for one to know he was joking and once they got it he would smile or laugh at them.

Chuy was never big on going to school but has such great curiosity of mechanical things, wood working, and musical instruments among a lot of other things. He was self-taught through observation and just plain taking things apart and putting them back together. He was very attracted to music especially the guitar and accordion. Chuy would watch me play the guitar and one day when I came home, I caught him strumming my guitar in our bedroom. While I was in the Army stationed in Okinawa when I came back to visit him, Chuy told me how he had loaned this guy \$5 dollars and held is accordion as collateral. Because the guy never came back, he taught himself how to play the accordion.

Chuy and I were born in Edna, Texas and grew up in Edna, Charco, Goliad, and San Antonio. Chuy never like the ranch cowboy jobs. He did not like riding horses like I did and only learned to ride because Grand Pa Esteban made him learn. Chuy always like the farming jobs handling all kinds of farm equipment especially tractors. Rest in peace my brother, love your brother Joe.

“ *Mr. Muniz was a kind and patience man! He was my bus driver when I was In Elementary (bus #5)! He would pick up and drop off my brother and I on the corner of Rosario and McMasters every school day. That was 35 years go! I will forever remember him. My condolences to his family, my thoughts and prayers are with you. The world needs more people like Mr. Muniz. May you rest in eternal peace, Sir.*
