 Celia Garcia

“ I remember Jose Saenz, always greeting me with a happy and a story to tell of Janie and his younger days. He never forgot my dad (his cousin), always sending his hellos even after my dad passed. He would ask how he and family were doing. I didn't have the heart to tell him about the family members who had passed and were no longer with us. That was him, always thinking of others, always polite and courteous.
