

Josie Lee Loza Flores

June 1, 1992 - April 18, 2026

Dateline: Three Rivers, Tx.

Josie Lee Loza Flores, age 33, passed away on Saturday, April 18, 2026 in a San Antonio, Texas hospital following a short illness, surrounded by her loving family. Josie was born June 1, 1992 in Beeville, Texas to Abran and Oralia (Rodriguez) Loza. Josie was a light in the lives of all who knew her- full of personality, laughter, and love. She had a big heart that she wore proudly, never hesitating to speak her mind. Loud, outspoken, and unapologetically herself, she brought energy into every room she entered. Her laugh was contagious- big, bold, and impossible to ignore- and her blunt honesty was always paired with a goofy charm that kept everyone smiling. She had a natural gift for making people laugh, often without even trying. Whether through her humor, her playful spirit, or her unfiltered words, she created moments that will be cherished forever. Family meant everything to her. She adored her nieces and nephews deeply and shared a special bond with her beloved goddaughter, Isabelle "Isa", who held a unique and treasured place in her heart. She loved to dance as if no one was watching and sing as if the world was her stage. Her joy for life, her fearless personality, and her ability to uplift others will never be forgotten. Though her time here was far too short, the impact she made will live on in the laughter, memories, and love she leaves behind. She will be deeply missed and forever remembered. She is preceded in death by her father Abran Loza.
