“ Memories of our visits and telephone conversations hit me suddenly and without warning. Breaks my heart that i was unable to say yes when you asked to move in with us. BUT so very glad that we were able to be closer to you when you moved in with your grandson. May you RIP and have fun keeping Jesus laughing with your jolly personality. I love and miss you so much. Your Big Sister Fannie.

“ Little Sister, I enjoyed your beautiful laughter for such a short time on this plane. You know about your eternal happy home for sure now. Love you to eternity 🙏❤️🙏.

Delia, i miss our frequent telephone conversations. And, so regret not being able to say yes when you asked to move in with us. Warren continues to get weaker as i care for him. I pray that you were able to hear my last prayer into your ear the afternoon before you passed; that i did not imagine your hand squeezing mine. I pray that you are at peace with our Lord now. Fannie ❤️🙏❤️
