“ *Kathy's laughter is what I will continue to miss. If she herself was not laughing she was making someone else laugh. I looked forward to seeing her each day when she and Clara were in the school office.*

Whatever I needed, I had only to ask Kathy and presto she would get it. She would do anything for anyone.

She helped students as much as she could even if it meant extra hours for her, such as her leadership with Girl Scouts. I recall fondly her filling my room with Girl Scout cookies which she and the girls would find a way to sell.

Kathy was an amazing person who will never be replaced in my heart.
