“ *You'll be missed by your family and friends. You were taken way to soon, but I know God has a plan for you and that you're in a better place now. Life wasn't always easy for you, but through the good times and bad, you are my sister and I'll always love you. You will never be forgotten. Take a moment to look down upon your family from time to time and smile and we'll look up and smile back.*
