“ *Every Day With You Was A Great Memory Nd Most Of All Having You As My Father Was The Greatest Blessings Of All. I Miss You Dad, My Heart Aches Nd The Tears Just Keep Flowing.. I Know You Hated For Me To Cry Or Even Be Angry But All This Pain Is Making Me Feel Both.. I Just Want You Back Home, I Want To Be Able To Call You One Last Time To Hear Your Voice Nd Let You Know I Will Always Love You Dad. :(*
