“ *What a great guy. Just as funny as he was tough. Will never forget him biting the head off of a live frog after much encouragement from his team.*

*I was deeply saddened to hear the loss of Coach Cannaday. Unfortunately the last time I talked to Coach was in the late fall of 1977. I was in traction with both legs recovering from major bone surgery of the leg. Coach Larry was very comforting,encouraging, and uplifting. Coach Larry was Wonderful Coach, Great Counselor, and a Terrific Friend.

“ Coach,
Thanks for all you did for us at GWHS, Horns '83. I can still see you and Coach Smith laughing at some of the antics during practice, especially when Coach Lombardo and Kelly Stapp would get into it. You will be missed by all, my prayers go out to your family during this time. I hope that knowing all the people you helped and all the fond memories you leave behind will help heal some of their pain.

“ Good coach. Great person!! I still have a lot of fond memories our 1977 football season at EGHS. I was glad I got the chance to talk to him on the telephone this past September. I wish his family a lot of strength and comfort during this difficult period. Keith Martin

“ Coach, your lessons in life have stayed with me all these years. Simple lessons, yes, but they had to be to get through to us hard headed boys, molding us into men. It was due to your "sea stories" and constant requirements for honor, courage and commitment that I joined the Corps. For that, more than anything, I thank you.
