“ You will be missed greatly tia.💕 It makes me so happy knowing you got to see me grow up and I'm so happy all I have of you are happy and funny memories. I will miss hearing you sing jingle bells out of the blue and dancing your way into the bathroom like you almost always did. I hope you meet your parents again tia, like you've always wanted💕 I love you.

“ I always admired how Tia got so excited about the little things in life like someone having braids or moving her feet to music when it came on. I hope I can be like her in that way, what an example she was! I'll miss her infectious smile!💕 Fly high with the Angel's Tia! I love you!
