“ Pita,

I want to start by saying thank you again for taking care of my daughter during those five years when I couldn't. We met when I was 14 years old & although we didn't always see eye to eye, we always had each other's backs—no questions asked.

I will forever treasure the memories we shared, the good times & the bad. I will always be grateful for the choice you made for me on the day I needed you the most.

Rest in paradise!

Your Loca,

Micki Perez
