Mallerie KNEW then that she was loved!! She had me (mom)STILL and her step-dad, that she ALWAYS called for support!! People DON'T know what a 12 year old that has tragically seen her sister die in FRONT of her and NOT knowing at the time was dead, and then walking in on her granny to find HER dead, and to have her DAD die of a heart attack in front of her,, ALL before the age of 16, goes through with the constant memory of it all and then a SO-CALL boyfriend puts a torch on ALL the hurt a week before her decision! All the love on earth ISN'T going to erase ALL the pain from a little girl that witnessed her family losses! I have ALWAYS LOVED MY GIRLS!! Nobody in that family gave me a chance AFTER their dad ran around on me! Lots of STORIES were told back then ?? You share yours and I'll TELL mine, the TRUTH of it ALL , Til I see you Again Jessie and Mallerie, LOVE Always, MOM (CYNTHIA MCCUMBER)
