“ Words can not express how much this world will miss her. She even got me (yes in her forceful way) who hasn't eaten beef in over 30 years, to try her brisket. Needless to say, it was delicious and worth the wait. Her personality filled a room with laughter and talk of the Cowboys and spreading joy wherever she went. She always found a way to say exactly what others were thinking and didn' t have the courage to say out loud, and she got away with it. Our thoughts and prayers are with all of you during this time, we wish we could be there to celebrate her life. Love Kitty and Beckee' ”
