“ Mom, how we miss you everyday. You were a special lady to our family. Not a day goes by that you are not remembered...I want to call you up and talk to you like we used to...but I know you are rejoicing up in heaven with no more pain. You are now our special Angel, along with Alyssa and Sandra. We will one day see you all again. Till then, know you are missed and loved. See you later...I love you!!!
