“ *My deepest condolences to family
As children when our families would get
together at " La Casa De Alto" that's what we
use to call my uncle Antonio's two story
house, we enjoyed running up and down the
stairs as they were build on the outside of the house and riding out
bikes. We all called Moses "Boy" that was the only name my
brothers n sister knew him by. Such wonderful memories as
children. May he rest in peace.*

Sincerely
