“ Paul and I were friends over the years. He was a Christian and is in the presence of Jesus. Paul, find the kitchen in Heaven, for that is where you will find your grandmother Wood - serving Jesus - cake with coconut in the icing and lemon chess pie. Monnie and my favorites. I will miss you buddy.

“ *My Uncle Paul was a wonderful man. He was a great family man, hard worker and a true christian with faith in the lord. He was always eager to play cards or go to town with me and my brothers. Ever since we were small children I can remember going places or simply hanging out with my Uncle Paul at my Grandma's house. He will be missed by many. My Uncle Paul was a man of faith and he will be reunited with his wife, mother, father and brothers in the kingdom of heaven. Thanks for the memories Uncle Paul. We love you. RIP*
