“ I love you Phillip and will miss you so much! You taught me a lot growing up and I don't think I ever actually thanked you so Thank You. We had our ups and downs but in the end we loved each other. I will always remember you when I go to the beach, fishing, hunting or just going out in the country to hangout. I was lucky to have had the opportunity to call you my stepdad and spend the time I spent with you. I hope I get to see you again when my time comes and I know you are not hurting anymore which is helping me get through this. RIP Phillip and until we see each other again, see you later! Love you lots! ??????”

“ Phillip,

I wish I had been there to say goodbye. You know, life is an adventure (and we have had a lot of adventures together) and I guess death is too. We don't know what is ahead for us, we just have to wait and see. If there is an afterlife I sure hope I run into you.

I'm going to miss you so much, as all of us will. You have been my best friend for a long time. I'll get a long without you, but I will miss you a lot. You are ahead of us, we will catch up, we have to, not our choice.

*Love You,
Woody*
